LD 247

I ask you to please vote OUGHT NOT TO PASS on LD247: An Act Regarding Recommendations for changing Place Names in the state. This is a law to take away the right of a town or area away from the people who live there. They should be able to name their town or area ANYTHING THEY WANT TO NAME IT. It would seem that the people in power want to control EVERYTHING we do and say. That is NOT THE WAY MAINE SHOULD BE! As a descendant of a Founding Family and a town in Maine, I very much hold with the right of that town to Governor itself WITHOUT government intervention. Therefore, please vote OUGHT NOT TO PASS on LD247, if you care about the freedom to your own property management. Thank you.
