I am asking you to vote OUGHT NOT TO PASS on LD358, An Act to Increase fees paid to Registers of Deeds. I ask you to consider that this 125% increase in fees for 80% less copies, an increase in surcharge of 125%, and even increases in electronic copies of 125%, when there are only a few minutes work and the push of a button, it seems excessive! I know time is money but why improve the process and cut back on time and then charge 125% more for less work and product. I ask you to please look into this with an accounting eye and see if this huge raise is necessary. I Thank you for your due diligence. Please vote OUGHT NOT TO PASS on LD358.
