I am asking that you vote OUGHT TO PASS on LD 316, RESOLUTION, Proposing an Amendment to the Constitution of Maine to Create Equity in State Senate Representation. It would seem obvious to me that we have 16 counties and 2 Senators from each county to represent us in Augusta. How it got to the where some places, I'm assume Portland, got more, I don't know. If you are figuring on one for each party (D,R,I) it would be 48. If it was done by population of each county, it would be an untenable number. There is no sense to the 35 we have now. The one fair way to do it is to give two (2) to each county. Therefore, please vote OUGHT TO PASS on LD 316. Thank you for your service to our state.
