I STRONGLY URGE YOU TO VOTE OUGHT TO PASS on LD 387, An Act to Prohibit the Governor from Relocating Illegal Immigrants to This State. ABOLUTELY STOP THIS NONSENSE! It is amazing to me that we do not have a handle on all the illegal immigrants that are flooding our state, our economy, our job market, our housing, our infrastructure and even our homes as swatters. When we don't protect our country and our state from this invasion of unvetted, undocumented and illegal people, we are asking for disaster. My grandfather came here as an immigrant before WWI. He came legally and at his own expense. He was vetted at Ellis Island until he was medically released into the U.S. He got a job and worked hard every day until he died from illness. He never took money from the state he was in or anyone. He worked for his money. AND, HE WAS PROUD TO BE IN AMERICA! He didn't disparage against the country or expect they needed to take care of him and his family. Much different than the illegals Gov. Mills is letting move arbitrarily into our towns and cities with no consent from us. Please vote OUGHT TO PASS on LD 387, for the sake of our state. Thank you for your service to Maine!
