LD 147

I URGE you to vote OUGHT TO PASS on LD147, RESOLUTION, Proposing an Amendment to the Constitution of Maine to provide for the popular vote of the Secretary of State. I believe the S.O.S should be elected by the people of the state and not the Legislative Senate and Representatives. With the uneven amount of the political make-up of the Maine Legislature in the last years, we will never see a balance of power in Maine until we even things out by letting the people vote on their S.O.S. I think that would be a much fairer and more stable than the present situation. Listening to the taxpayers is appropriate "representative" government. Thank you for voting OUGHT TO PASS on LD147.
