LD 1193

I STRONGLY URGE you to vote OUGHT NOT TO PASS on LD1193, An Act to Require the Legislature to Elect Constitutional Officers and the State Auditor in Convention with an Open Ballot System. We do NOT WANT our Legislature to elect our state Officers. This has been going on far too long. Once they get into power, we never get another officer who believes in bipartisanship. This state is made up of people with lots of different beliefs, but Augusta is only showing us ONE BELIEF in the last few years. They have ignored people who don't agree with their rampant spending and radical agendas. We need to hear from "We the people" of the state of Maine! We the people say, "no more one-sided politics!" Let the people of Maine decide who represents them. Make the Legislators accountable to the people who voted them into their job. ALL THE PEOPLE. not just on-side or belief. Take electing the Officers who have a great deal of power in this state, away from the Legislators who put us under this present misappropriation of power! Thank you VERY MUCH for voting OUGHT NOT TO PASS on LD1193, and giving the decision to the taxpayers.
