

Sass Borodkin  
Skowhegan  
LD 2042

Hi. I'm Sass Borodkin and I live in Skowhegan. I am writing to oppose LD 2042 - An Act to Eliminate the Requirement for Municipalities to Provide Public Notice in a Newspaper.

Just because the municipalities have websites doesn't mean their constituents necessarily have access to the internet. This bill is inadvertently classist.

Thanks for considering.
