

I'm Max DuBoff, I'm a Portland resident, and I support LD 1383. As a Jew, I'm deeply concerned about human rights. When my ancestors were targeted by pogroms, they found safe haven in America. They had very little, but they were able to build a new life here and pass on their heritage. Every year on Yom Kippur, the holiest day of the year, we read the prophet Isaiah's call that religion means nothing without action to oppose systemic injustice. Isaiah condemns the fetters of wickedness and the yokes of oppression, and his critique calls on us today to divest from corporations benefiting from genocide, ethnic cleansing, and other crimes against humanity. Growing up in a community in the shadow of the Holocaust, I learned that "never again" means never again for anyone, including our neighbors targeted by ICE and so many abroad. For these reasons, I'm proud to be a Jew in favor of LD 1383. Thank you.
