Hallowell
LD 1383

Dear Members of the State and Local Government Committee:

My name is Karen Wyman, and I am a resident of Hallowell, Maine. I respectfully urge you to support LD 1383: An Act to Require State Divestment from Perpetrators of International Human Rights Violations. One of the ways we can express our values and beliefs is through our decisions about our money, including our investments. It's true for each of us individually and for us as a state with a long tradition of integrity, civic engagement, and responsible investment.

Please help make Maine the moral and principled leader that we can be by passing this important legislation. We have the opportunity to be on the right side of history in doing this. It is the responsible, ethical, and moral thing to do. As members of a global community, we cannot afford not to.

Thank you in advance for your courage, commitment, and clarity in unanimously passing LD 1383 for a more peaceful and just future.

Sincerely,
Karen Wyman
Hallowell, ME
