Bill Title	LD 284, An Act To Provide That Inspections of New Motor Vehicles Are Valid for 2 Years	LD 354, An Act To Require Motor Vehicle Inspections Every 2 Years	LD 431, An Act To Repeal the Requirement That Certain Motor Vehicles Be Inspected	LD 490, An Act To Eliminate Certain Motor Vehicle Inspections in the State	LD 565, An Act To Study the Fee Structure for Motor Vehicle Inspections as It Relates to the Viability of Inspection Stations	LD 712, An Act To Eliminate the Requirement for an Inspection for a Noncommercial Vehicle Less Than 20 Years Old
Summary	This bill provides that a new motor vehicle that has had an inspection is not required to have another inspection until 2 years from the last day of the month in which it was initially registered. After this time period has passed, the motor vehicle is required to have an annual motor vehicle safety inspection.	This bill changes noncommercial automobile inspection requirements from an annual inspection to a biennial inspection.	This bill repeals statutory provisions that require motor vehicles registered in the State to have an annual motor vehicle inspection.	This bill repeals statutory provisions requiring inspections for motor vehicles registered in the State, except that the provisions regarding inspection of commercial motor vehicles, trailers and semitrailers and inspection by dealers and transporters are not repealed.	This bill would study the fee structure for motor vehicle inspections as it relates to the viability of inspection stations. This bill is a concept draft.	This bill exempts a motor vehicle that is less than 20 years old from inspection.

Notes – Re: Air Quality

Elimination or significant reduction of Cumberland County’s enhanced inspection program could bring Maine out of compliance with its U.S. Environmental Protection Agency approved State Implementation Plan, required by the federal Clean Air Act. The loss of “emission reduction credit” could affect the \$1.3 million in federal funding Maine receives for the program through its Clean Air Act Section 105 grant. *There may also be penalties associated with non-compliance.*
