Regarding: LD 1124, SP 387 “An Act To Change the Threshold for Creating a Specialty License Plate from 2,000 Prepaid Orders to 1,000 Prepaid Orders and To Extend by One Year the Time Allowed for Gathering Signatures” - *Sen. Matthew Pouliot of Kennebec*

Subject: Addendum to my written testimony submitted on May 1, 2021 on LD 1124.

Please accept this letter as an addendum to my original written testimony to LD 1124 that I submitted on Saturday, May 1.

Since my first testimony I have had communications with Senator Matt Pouliot regarding the text in Section 4. Paragraph 2.B. and in the SUMMARY section regarding the \$50,000 that was proposed to be submitted to the Secretary of State.

I was assured that it was Senator Pouliot’s intention for this to be \$25,000 and not \$50,000 and if this amendment (from \$50,000 to \$25,000) is submitted in his testimony and included by the committee in the proposed legislation then I would support LD 1124, notwithstanding other changes accepted by the committee to LD 1124 from other parties that I have presently have no knowledge of.

Sincerely,

David Alexander
