I strongly support LD 1370 - An Act to Establish Trail until Rail Corridors. This bill will set Maine on a positive track, linking current trails and parks and recreation areas. I live in North Yarmouth, and our town has a number of excellent parks and trails. A Rail Trail through our town would connect walkers and bicyclists even beyond our borders and interconnect with wonderful recreation areas such as Pineland Center and Bradbury Mountain State Park. As we work to promote tourism in Maine, and as we emphasize exercise as a key component of living a long and healthy lifestyle, this bill helps the state to plan for the future benefit of residents and tourists alike. I urge you to start us down this track toward a great future for Maine.
