

Mary Jensen
Dayton
LD 1122

Senator Chipman, Representative Williams, and honorable members of the Joint Standing Committee on Transportation, my name is Mary Jensen and I'm from Dayton, Maine and I am here today to speak in support of LD 1122 Resolve, to Rename Bridges in the Town of Cornish.

I think it is a simple and inexpensive way to remind young and old of the heroes who serve our country. We live busy lives and sometimes forget to appreciate those who have made our way of life possible. Crossing over these bridges and having the signs catch our eye would be an excellent way for the three people/groups honored by this simple act to be remembered and reflected upon.
