Cornish  
LD 1122

My name is Michael McKinney and I am from Cornish Maine. I am writing today to speak in support of LD 1122 to Rename Bridges in Cornish. Name changes would include 9-11 memorial, Veterans Memorial and Harriet Tubman Memorial.

I believe it is vital that we preserve our history for generations to come and this bill does just that. We must never forget that dreadful day of September 11 when America was attacked. Renaming a bridge in Cornish will honor those first responders who made the ultimate sacrifice on that day and preserve the memories of loved ones lost. Veterans Memorial Bridge will honor those who served our great nation and Harriet Tubman Memorial Bridge would honor an abolitionist who lead America during a dark period in our history.

I ask that you vote in favor of this bill and thank you for your time.
