

Cary Tyson  
Westbrook  
LD 1634

As a citizen of Maine & Westbrook, I urge your support of this bill. LD 1634 modernizes Maine's outdated & problematic approach to the speed-setting which relies on the 85th-percentile rule. Moreover, it empowers local communities to do what's right for their town or city. Such options to remove higher-level bureaucracy only make sense.

Thank you for your consideration.
