Hiram, part-time resident  
LD 404

I am a part-time resident of Hiram and am writing in support of LD 404 and LD 1450. I have a home near the Mountain Division corridor. I enjoy bicycle riding but find that many roads in the area have poor shoulders and high-speed traffic that make them unsafe for riding. The trail will provide a place for recreation and exercise which are important for residents' well-being. In addition, the trail will be an attraction for tourists which will be beneficial for the town's economy. I urge you to vote for passage of the resolution and the funding act. Thank you for your consideration.
