LD 404

Dear committee members, thank you for the opportunity to comment on LD 404. We are so fortunate to have this rare opportunity for so many communities along the way. From retailers and restaurants to future newly created business the Mountain Division Trail system will benefit many local economies. There are also the wonderful opportunities for so many people locally as well as travelers from away to be able to enjoy increased health benefits from walking, cross country skiing and biking. Just being out in nature is proven to provide many health benefits.

I hope you will consider the advantages of this unique opportunity and vote to support LD404.

Thank you, Deb Boxer Standish ME
