LD 404

My name is Patrick, I live in Biddeford and I work for the Eastern Trail. I am writing in support of LD 404 to allow the Mountain Division corridor to become a trail. The best use for the state-owned Mountain Division corridor is a wide paved or gravel trail for walkers, bikers, and runners, which will be accessible to people of all ages and abilities. This trail extension will connect to the 9 miles of Mountain Division rail-trail that already exists in Fryeburg and in Gorham and Windham. Expanding trails in Maine just makes sense.

Thank you,
Patrick Conlon
