

Barbara DeSousa
Hiram
LD 1450

My name is Barbara DeSousa. I live in Hiram, Maine. I am writing in support of of LD404 to allow the Mountain Division corridor to become a rail trail and LD1450 to help fund the building of the trail. The best use for the state owned Mountain Division corridor is a wide paved trail for walker, bikers, and runners of all ages and abilities. This trail extension will connect to the 9 miles of Mountain Division rail -trail that already exists in Fryeburg and in Gorham and Windham.

Thank you,
Barbara
