LD 404

We, Henry and Holly Foster of Fryeburg, ME, support LD 404 bill to support the completion of the Mountain Division Trail from Standish to Fryeburg. We have witnessed the use of the Fryeburg Trail by many people. It will only enhance the outdoor experience by connecting the towns in between to eventually make a larger trail from Windham to Fryeburg and hopefully into New Hampshire one day. It will also benefit all towns economically including Fryeburg. Thank you.
