LD 1450

I am in support of LD1450

I use the mountain division trail often. It is widely used for runners, bikers. Walkers horse riders, and dog walkers. Many families use the trails also. Its a wonderful community area. Please continue to fund this gem of outside activity . Extending it would bring more communities together. I understand funding is always an issues. Maybe offer a parking pass for a year of say \$5 or \$10 DONATION kinda like a MDT club membership. To help fund the MDT.?
