

Daniel Hester  
Hiram  
LD 404

My name is Daniel Hester, I live in Hiram, and I am writing in support of both LD 404 and LD 1450 to allow development of the trail and to help with necessary funding. I have already submitted testimony, but the listing did not indicate that I wish to speak by Zoom. Trying again.

The best use for the state-owned Mountain Division corridor is a paved trail for walkers, bikers, runners, and families which will be accessible to people of all ages and abilities. In addition to the opportunities for recreation and active transportation that this magnificent trail will provide for our residents, this extensive trail will attract many visitors and will become a very significant economic boost to communities. Please make the Mountain Division become useful again!

Sincerely,  
-Dan Hester
