

Patricia Jackson
Narberth
LD 404

My name is Patricia Jackson, and I live in Narberth, Pennsylvania. I am writing in support of LD 404 to allow the Mountain Division corridor to become a trail. The best use for the state-owned Mountain Division corridor is a wide paved Trail for walkers, bikers, and runners which will be accessible to people of all ages and abilities. This Trail extension will connect to the nine miles of mountain division rail-trail that already exists in Fryeburg and in Gorham and Windham.

Why you may wonder would I care about this? I have family who live in Brownfield and I visit them often. Whenever I do my bike comes out of my car, and I use that trail often, which is such a tonic for me and, remotely, for those who enjoy the photos I take along that trail and post on Facebook, which are many.
Please make this happen.
