Portland  
LD 404

My name is Emmet Lynch,  
I live in Portland, and I wanted to show my enthusiasm for supporting the proposed amendment to LD 404 to "Resolve, to Direct the Department of Transportation to Implement the Recommendation of the Portland to Auburn Rail Use Advisory Council." If this trail were in place I would use it with my friends and family many weekends during the warm months on bikes and during the cold ones on XC skis! Not only would it be a good trail to ride on its own, but it would allow people to connect other routes that they might already ride in Portland or Auburn or anywhere between the two!
