I live in Yarmouth. I strongly support the interim use of the Berlin Subdivision corridor as a bike and pedestrian trail, as recommended by the Rail Use Advisory Council. As a member of the town's Comprehensive Plan Steering Committee I can confirm the interest expressed during our planning process to see this trail come to life as it passes directly through the center of our already vibrant Village. This trail will provide critical additional connectivity to neighboring communities as well as enhancing connectivity within Yarmouth, itself. This is definitely on our "wish list" and I appreciate the committee's consideration.
