I live in Deering Center, Portland Maine.

As a husband and father of two beautiful, I love nothing more than safely enjoying the outdoors with my family.

I strongly support the interim use of the Berlin Subdivision corridor as a bike and pedestrian trail, as recommended by the Rial Use Advisory Council.

In Maine, we're fortunate to call this place home and to share it's beautiful land and water ways with residents and visitors alike. The bike and pedestrian trail will make it possible for more of us to safely recreate while bringing significant new tourism dollars and economic development opportunities to communities across the state.
