I am writing as a resident of Yarmouth to express my strong support for the interim use of the Berlin Subdivision corridor as a bike and pedestrian trail, as recommended by the Rail Use Advisory Council. The proposal to repurpose the Berlin Subdivision corridor aligns with the community's growing need for safe and accessible spaces for outdoor activities. Transforming the corridor into a bike and pedestrian trail would not only promote a healthier and more active lifestyle for residents but also contribute to the overall well-being of our community.
