Members of the Transportation Committee:

My name is Robert Crawford and Cumberland has been my home for over 30 years. I am 69 years old and finally retired. A lifetime sport and recreation activity, I have ridden now for over 50 years. I have ridden across the US and Canada, been on many week long cycling tours and used to commute to my pics in Portland by bicycle. Cycling brings people together, helps fitness and appreciation of the great State of Maine. The Berlin Rail Corridor and proposed pedestrian and bike trail will provide a great opportunity for the region, a pedestrian and cycle safe trail connecting my town with our neighboring communities.

I urge you to support it. Thank you..
