Hi, my name is Eliza Cress and I live in Portland, Maine, and work in Falmouth, Maine. I strongly support the interim use of the Berlin Subdivision corridor as a bike and pedestrian trail, as the Rail Use Advisory Council recommended.

This corridor will make a massive impact in providing alternative modes of transportation across the greater Portland area. Not only will it provide recreational amenities, but it will allow for better and safer non-vehicular options for commuting. This would be a massive asset to the region and the residents and visitors alike.
