I live in Falmouth, and I strongly support the interim use of the Berlin Subdivision corridor as a bike and pedestrian trail, as recommended by the Rail Use Advisory Council.

I am a cycle commuter and father that lives across the street from the proposed trail and want to offer my full throated support for a recreation corridor that allows for safe easy access from Portland through Falmouth and beyond. I would love a safe route for my family and I to ride as we run errands in Portland, or get some fresh air and ride up to Yarmouth or beyond.

Thank you for considering my testimony.
