

Susan Hayhurst
Falmouth
LD 1750

Hello,

I live in Falmouth on route 88. I strongly support the interim use of the Berlin Subdivision corridor as a bike and pedestrian trail, as recommended by the Rail Use Advisory Council. I think this will support healthy living, be positive for the environment, and even may improve property values. Most of all, it will be enjoyable for individuals and families in the region.

Thank you for considering my testimony.

Sincerely,

Susan
