I live in Yarmouth. I strongly support the interim use of the Berlin Subdivision corridor as a bike and pedestrian trail, as recommended by the Rail Use Advisory Council. Our roads unfortunately are becoming more dangerous for cyclists and walkers, so a designated trail for biking and walking would be great way to increase use of alternative transportation and provide recreational opportunities for the citizens of Portland, Falmouth, Cumberland, Yarmouth, North Yarmouth, Pownal, and New Gloucester. In addition, it will likely ease some of the congestion of road traffic in and out of Portland.
