Dear Transportation Committee -

I live in North Yarmouth. I strongly support the interim use of the Berlin Subdivision corridor as a bike and pedestrian trail, as recommended by the Rail Use Advisory Council. In fact, I testified before the Committee last year. When I worked in Scarborough (I am now retired) I would often bike to work and enjoyed using the portions of the Eastern Trail.

I am sure the Berlin/Casco Bay Trail Would be very popular. I know I would use it often going to a from Portland.

Thanks for listening!
