

Katherine Pelletreau
Cumberland
LD 1750

My name is Katherine Pelletreau and I live in Cumberland. I am a biker but do not like biking along busy roads even when they have a "bike lane". For this reason, I often drive to the Eastern Trail in Scarborough to go biking on a designated biking and walking path without cars. I support and would use a bike and pedestrian trail closer to where I live. This is why I support the use of the Berlin Subdivision corridor as a bike and pedestrian trail.
