

Andy Bailes  
Bowdoinham  
LD 29

My name is Andy Bailes, from Bowdoinham, Maine.

I am an avid cyclist and enjoy riding my bike on Maine roads in the Topsham through Gardiner corridor. It would enhance my experience and safety to be able to enjoy road style cycling on a dedicated trail, away from increasing traffic.

with vehicular traffic increasing as more people move tot he area, there is an increased possibility of unwanted vehicular/cyclist interaction with negative results. I believe many aspects of our communities would benefit from the ability to use a trail that is void of vehicular traffic, or any internal combustion driven traffic for personal and family exercise and well being.

Thank you for your time and consideration, and please vote in the positive for LD29.
