LD 511

I live in North Yarmouth and I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. Please vote "ought to pass."

I think this is an excellent idea on many fronts, opening up exercise opportunities, and the ability to link communities from Auburn to Portland. Thank you for your consideration on this matter
