

Michael Ben-Zvi
Bowdoinham
LD 29

I am Michael Ben-Zvi and I have lived in Bowdoinham for 4 years and I am writing in support of LD 29. My family and I would use the trail recreationally in all seasons--biking and running when it is warm out, skiing in the winter. I commute to Brunswick for work and would like a safe biking option that this would provide. Thank you for your time, Committee Member. I hope you vote "Ought to Pass" on LD 29
