LD 511

I live in Falmouth and I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. Please vote "ought to pass."

This is a no-brainer and would benefit a community that's always in need of adding accessible trails to the area.
