

Stacey Cramp  
North Yarmouth  
LD 511

I live in North Yarmouth and I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, reduce commuter traffic, and provide safe and accessible places for people with a range of abilities to get outdoors. This is an important step that will have long-lasting benefits for our local communities. Please vote “ought to pass.”
