North Yarmouth
LD 511

I live in North Yarmouth and have a bicycle repair business in Yarmouth. I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. My family and I would personally use this trail and it would benefit my bicycle repair business, KB Wheels, which is located adjacent to the proposed trail in Railroad Square, Yarmouth. Please vote "ought to pass."
