LD 511

I live in North Yarmouth , and I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. I would use this trail regularly and believe that many others will as well, bringing them joy and fitness and even providing business opportunities along the trail to service the people who rise and walk. Please vote "ought to pass."
