

Stephen Hart  
Portland  
LD 511

I live in Portland, and I strongly urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. Bicycling on roadways is increasingly dangerous and this trail would be a significant safety improvement. Please vote "ought to pass."
