

Nancy Hunsberger
Bowdoinham
LD 29

I live in Bowdoinham and totally support a trail connecting Brunswick, Topsham, Bowdoinham, Richmond and Gardiner. I would love to see this trail completed as multi use, including horses. It's harder and harder to find trails for horses as more and more of our open land is either developed or access is restricted. If it's built, I would definitely use it, especially since it's across a field from my farm and would not require me to hook up my truck and trailer to drive somewhere to ride my horse! This bill "ought to pass!"
