

Ellen Jankowski
Portland
LD 511

Hello! My name is Ellen and I live in Portland and am a Physician Assistant in our community. I am writing to ask the Transportation Committee to vote in support of LD 511.

An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. I especially feel it would encourage people to be more active as it would provide a safe alternative to our roads. This would improve the overall public health.

Please vote "ought to pass."
