

Brian Marson
Richmond
LD 29

My name is Brian Marson. I am from Richmond, Maine and am in favor of LD29. I believe this will be a great addition for the towns that will be interconnected from the trail. This will bring people to the trail to explore the local areas as they travel. Promoting healthy activity, and aiding in bringing folks in to visit local businesses. I would urge you to support this bill on an ought to pass vote.
