

Susan Murr  
Yarmouth  
LD 511

I live in Yarmouth and I respectfully urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. This trail will be well used and help with the State's overall conservation efforts. Please vote "ought to pass."
