Portland  
LD 511

I live in Portland, and am the Director of the Portland Gear Hub, a non-profit community bike shop that has been serving the Portland community for 10 years. I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. Please vote "ought to pass."
