LD 511

I live in Gorham, and I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. I use bike transportation in the warm season; this would guarantee keeping bikers and families safe while riding. Please vote "ought to pass." Maine economy is also heavily dependent on tourism and this would be in favor of bringing more visitors and money to our communities.
