Yarmouth  
LD 511

I live in Yarmouth, ME, and I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. It might also provide additional economic opportunities for local businesses to offer services near the path areas. Please vote "ought to pass."
