LD 30

I live in Yarmouth, and I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. It will also encourage people to get out doors to walk, bike, and meet friends, all healthy activities. In addition, this trail would also be a great way to build and strengthen community relationships. Please vote "ought to pass."
